Encouraging Words: Nuggets/Wisdom

“Are You Happy?”

Happy is an adjective describing a state of joy, contentment, pleasure, or satisfaction, often marked by positive emotions and well-being. Do you fit into any of these categories? If so, continue being happy; if not, I hope you find a way to reach that state. “You make known to me the path of life; in your presence there is fullness of joy; at your right hand are pleasures forevermore.” If you are happy and you know it, clap your hands, stomp your feet, and say “Amen.”
