Encouraging Words: Nuggets/Wisdom

“Turn The Light On”

When you turn on the light, you provide the illumination that is truly needed. This light represents God’s presence, holiness, truth, and life-giving power. As Christians, we are called to use our lives to reflect these qualities. In the midst of a crooked and perverse nation, we are meant to shine as lights in the world. I encourage you to let your light shine before others, so that they may see your good works and glorify your Father in heaven.
